

## TECHNICAL DATASHEET

**Code:** 01.00058

**MECHANICAL PROTECTION GLOVES - NITRILE**

### Description

01.00058 gloves are designed to deliver optimal results in wet or dry work environments where chemical resistance is crucial. They provide protection against mechanical hazards, chemicals, strong cleaners, solvents and oils.

- Internal lining for greater comfort and sweat absorption
- Slip resistant finishing for great grip which enhances the hold
- Excellent feeling touch

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
